

Baking Powder Economy

Royal Baking Powder costs only a fair price, and is cheaper and better at its price than any similar article in the world.

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality or wholesomeness.

The highest grade and most highly refined ingredients only are employed in Royal; hence its well known superiority.

It is always the case that the consumer suffers in pocket if not in health by accepting cheap powders as substitutes for Royal Baking Powder.

The Royal is made from pure grape cream of tartar, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Avoid alum baking powders. They render the food unhealthful.

JOHN WOODBRIDGE PLACED ON TRIAL

CHARGED WITH HAVING VIOLATED HIS NIECE.

An Attempt Made to Have all of the Counts of the Indictment Taken from the Jury With the Exception of That Which Charges Simple Assault—Court Refused to Grant the Request—North Scranton Boys Acquitted of a Charge of Burglary. Other Court Matters.

The second week of criminal court opened yesterday morning, Judge H. M. Edwards is again on the bench in the main court room and Judge Henry K. Weand, of Montgomery county, is presiding in No. 2.

In the main court room the case of the commonwealth against John Woodbridge occupied the attention of Judge Edwards and a jury until adjourning hour. Woodbridge is a married man and the father of five little children, who with his wife and father sat directly behind him in court yesterday.

Woodbridge is charged with having violated the five-year-old daughter of Mr. and Mrs. John Sheridan, of Sixteenth street, on February 22 last. Mrs. Sheridan and Mrs. Woodbridge are sisters and the two families lived a short distance from one another in West Scranton. The little girl went on the stand yesterday, but her testimony with reference to the assault was not very clear and when the commonwealth rested the defense asked the court to take from the consideration of the jury all of the counts with the exception of simple assault. This the court refused to do.

NO EVIDENCE FOR DEFENSE.

The defense decided not to offer any evidence and asked the court for permission to withdraw.

MILK AND WATER.

Milk is food. Water is not food. Nurse the baby on water and it will not live long. But many a mother who supposes she is buying real milk is getting half water, and she wonders why the baby frets and looks thin and pale.

What water is to milk so substitute medicines are to Dr. Pierce's. This is why there is nothing "just as good" as Dr. Pierce's Golden Medical Discovery for the cure of diarrhoea, indigestion, impure blood, bronchitis, obstinate, lingering coughs, sore

throat, weak lungs, bleeding lungs, and kindred affections, which, if neglected or badly treated, lead up to consumption. If you ask for Dr. Pierce's remedies and the dealer won't supply you, go to another store. Your health is of greater importance than any extra profit he may make on the substitute. The imitation substitute can not imitate the cure. Dr. Pierce's Golden Medical Discovery is absolutely non-alcoholic and non-narcotic. It can be safely relied upon by temperance people. It is not only the safest, but also the surest remedy for the stomach, blood, throat and lungs.

"My wife had a severe attack of pleurisy and lung trouble," writes Abram Freer, Esq., of Rockbridge, Green Co., Illa. "The doctors gave her up to die. She commenced to take Dr. Pierce's Golden Medical Discovery, and improved from the first dose. By the time she had taken eight or ten bottles she was cured, and it was the cause of a large amount being sold here. I think the 'Golden Medical Discovery' is the best medicine in the world for lung trouble."

mission to address the jury last which was granted. District Attorney Jones closed his argument just before the adjourning hour. Woodbridge is defended by Attorneys George Beale and L. P. Weidman. The latter will make the closing address for the defendant this morning. The accused has been in jail since the crime was committed.

Thomas O'Malia, Patrick Padden, Patrick Mahon and William Kelly were called for trial before Judge Weand in No. 2 on a charge of breaking into McAndrew's hotel in North Scranton. Padden, who appears to have been the ringleader of the gang, has left the city and his bail was forfeited after the case was called yesterday. The accused were defended by Attorney Joseph O'Brien. They denied participating in the burglary. Padden invited them to go to the hotel with him, telling them he had a "cinch." When they found that Padden meant to break into the place they left him and went to their homes. The jury returned the verdict, with the exception of Padden, not guilty.

Thomas Coyne pleaded guilty to breaking a window in the hotel of John J. Coyne at Minooka and was sentenced to pay a fine of \$1 and spend thirty days in the county jail.

BROTHER AGAINST BROTHER.

A verdict of not guilty was taken in the case of Andrew Horwarth, who was charged with assault and battery by his brother, Stephen Horwarth. The latter did not desire to prosecute. When court adjourned Edward Kilian, a sixteen-year-old boy, was on trial, charged with the larceny of \$77 from J. C. Ludland. He is defended by Attorney John J. Murphy and Assistant District Attorney W. Gaylord Thomas appears for the commonwealth.

Company About to Shut Off Water.

Mrs. Margaret Smith, through her husband and Attorney Cornelius Smith, yesterday began an equity suit against the Scranton Gas and Water company to restrain it from cutting off the water supply and removing the pipes which supply the buildings at 421, 604 and 703 Adams, 727 Jefferson and 429 Monroe avenues which are owned by Mrs. Smith.

The petition which she files sets forth that the company is about to shut the water off from these buildings although she has not received a bill from the company and has no knowledge that she is indebted to it. Judge Gunster granted a preliminary injunction to restrain the company from taking the action complained of and made the rule to show cause why it should not be made permanent returnable Thursday.

In the case of Michael Ruddy and John J. Ruddy against the city of Scranton, exceptions to report of referee, Judge Gunster said in an opinion handed down yesterday that "Justice requiring it a new trial is ordered and the report committed again to the same referee."

A rule for a new trial was refused yesterday in the case of Webb against the Lull's Head Coal company.

Mayfield Election Case.

Judge F. W. Gunster in an opinion filed yesterday refused the rule for a writ of quo warranto in the case of John Jones district attorney, against William Edmunds. The respondent was elected to the office of councilman of the borough of Mayfield at the election held on the 21st of February, 1899. It is alleged that the election was illegal and void for the reason that Edmunds had not paid a borough tax within one year preceding his election and on that account was not a qualified elector entitled to hold said office. To this charge the respondent demurred and his demurrer was sustained.

Order Staying a Sale.

A rule to show cause why execution should not be stayed pending proceedings in the bankruptcy was argued yesterday in the case of Matthew Mc-

Pherson against Hendrickson Brothers. The case was tried at the last week of common pleas court. Judge Gunster made the following order:

"An application having been duly made to the United States district court for the western district of Pennsylvania to have the defendants, Hendrickson Brothers, adjudicated as bankrupts and a prima facie cause of bankruptcy existing the writ of *fi fa* issued upon the judgment in the case is stayed until the said application in bankruptcy is disposed of or until the further order of the court, the lien of the levy of the said execution not to be disturbed."

A considerable portion of the furniture was carried away by persons unknown to Mott and other articles were broken and destroyed. He wants compensation for his loss. There will be another hearing in the case on July 5.
